

# CROCHET HEARTS

"Nothing says 'love' more than something handmade"

## What we do

One Mother to Another is an award-winning charity which provides support, connection and reassurance, to whānau (primarily mothers) who are in hospital with their sick child.

We provide care packages to mums and carers across 7 wards in 4 hospitals and to 1 community organisation in Aotearoa. Our aim is to comfort and encourage in a particularly vulnerable time.

Its so important to us that our gift bags have a "personal" touch to convey a spirit of kindness and care. We want the recipient to feel that they matter are "seen" in their hour of need.

Every stitch conveys our message of love.
